### BASEBALL/SOFTBALL FIELD USE GUIDELINES AND INFORMATION

Please use the following guidelines and information when using the baseball/softball fields

- ***NO STEEL CLEATS ON ANY FIELD***
- Place all litter in the trash cans
- If you have reserved a field through Franklin Ranch Staff and someone else is on the field, present your reservation permit to them, so they know that you have rented that field
- No animals on the fields or in the dugouts
- No gum on the infields or in the dugouts
- No sunflower shells or peanut shells on the fields or in the dugouts
- If you notice any damage to the field, please notify the Franklin Ranch Staff, so that we can check into the damage and make repairs
- If you have the lights reserved, they are automated and normally turn on fifteen minutes prior to your reservation or sunset and turn off fifteen minutes after your reservation. If you have trouble with lights contact a Franklin Staff member at 979-828-3042 to get help
- Field Status: You do have a way to check field status before you come to the park. Go to [www.thefranklinranch.com](http://www.thefranklinranch.com) to check field status
- NOTICE regarding field status page: The field status page may not always be updated because weather conditions change during non-business hours. For your safety and for field quality, if the fields are not in playable condition, do not use them
- Read Franklin Ranch severe weather information file for your safety
